

PASA Aug 4-5 2018 ASCA Trial General Information

Check-in Schedule (check in only on your first day)

DAILY Check in/measure in:	7:00 – 7:30AM
Briefing:	7:30AM
First walk through:	7:45AM
First Dog on the line:	8:00AM

You must measure in if:

✓ You are jumping at 20" or under in Standard (16" in Veterans)

If you have a copy of a permanent height card that shows the dog's actual height from another organization, you may present that at check in.

There are 63 dogs entered with a total of 540 runs for the weekend. How can you single-handedly help us finish in time for a long hot shower and leisurely dinner?

✓ Check in at the gate for each class while you are doing your walkthrough.

✓ If you are NOT within 5 dogs of running, please stay OUT of the congested area between the rings.

✓ **If you ARE within 5 dogs of running, go to and STAY IN the congested area between the rings.**

✓ **LISTEN to the gate steward!**

✓ Smile at the score tables. And have fun!

PARK RULES so we don't get KICKED OUT!

NO ALCOHOL. This park is run by a youth recreation league and MUST HAVE NO ALCOHOL, and in particular, MUST HAVE NO SIGN OF ALCOHOL having been consumed, in the trash or the recycling or the litter around our RVs. Be aware the park ranger will be patrolling around throughout the weekend and especially during happy hour.

Dog Poop

'Nuff said.

Silver Buckle Series

This is the fourth trial in the Silver Buckle Series. It is open to any dog that earns at least one qualifying Regular run in a 2018 PASA sanctioned ASCA trial. See <http://www.pasadogs.com> for more details.

Food

No food will be available for sale on site. PASA will provide a continental style breakfast. Workers will be provided a free lunch, as long as you are working at least 2 classes, **and have signed up in advance.** If you are not working, you may pre-order lunch for \$8.50 **in advance.**

We're trying to be Green!

Water will be provided but you must bring their own container (we're trying to be more green, so we have cut back on water bottles). And please use the recycle containers.

Scoring, Questions, Problems

We will post the results of your runs at the score table. Please DO check them right away if you have any questions about your run, or if it's a leg of particular importance to you. It's true the score table is a busy place that needs to do its job without unnecessary interruptions; however it is also true that *you* are our reason for being there.

If you have any questions or problems (TP in the portapotties, running order, scoring issue, rules question, etc) or *feedback*, feel free to seek out any of the trial committee or PASA members. Our job is to keep you happy!

Move-ups

Move ups are permitted. You must sign the move-up list within 15 minutes after the last run is posted on Saturday. If you forget, we *cannot* move you up the following day.

ATCHs, and other Big titles

If you think you may earn an ATCH, please let us know in advance so we can be prepared to party! Please send an email to Warene (just4alark@gmail.com) so we'll have your team's sticker ready to personalize your ATCH pole.

NQ raffle

Once again, we will have the popular "NQ" raffle. For each round that you do *not* quality in, you will earn one ticket. A drawing is held at the end of each day. All day and other special workers also will receive raffle tickets. If you have any "white elephant" gifts (can be doggy or non-doggy related) you'd like to donate, we'll be happy to add them to the collection!

Directions

Take Highway 101 to San Miguel Canyon Rd exit in Prunedale. Proceed about one mile on San Miguel Canyon Rd. Turn left on Castroville Rd. Proceed about 0.8 miles until you see the sign for Manzanita Park on the left.

Parking and unloading

Parking is in the parking lot. We are in the large field to the left as you enter. **ABSOLUTELY NO DRIVING ON THE GRASS!** No parking, or drop off in the infield unless you are pulling the PASA trailer.

There is no parking on grass except next to the fire road on the far side. Any vehicle parked on grass cannot be moved until the trial ends. Diesel generators are required to have overhead venting. No generator use between 10 pm and 6 pm and while the trial is running (8 am until it finishes for the day).

Setup and Crating

General setup is not allowed until we have finished setting up all the rings. If you setup before we are done, we will move you! We hope to be done by 4p on Fri. If you want to help, we'll be done sooner!

There is little shade so bring your own or share.

There are wading pools to cool your dog.

RVs

If you haven't made your advance reservation, please contact us (agility@agilityrecordbook.com). There will be no RV person. Pick your spot on your own. RVs can park in any parking lot and in the dirt spots either side of the entry road at the top. RVs can also park along the road that goes around the baseball field where we are set up. The road must remain open because it is a fire road.

Tents must be set up so it doesn't look like overnight use (under a canopy).

We need everybody's help to keep things running smoothly.
Please be ready when the gate steward tells you!
